**WAIVER OF LIABILITY
PLEASE READ BEFORE SIGNING**

There are inherent risks in the use of a boat ramp for the launching and recovering of a boat of any dimension. The inherent risks include, but are not limited to: the deposit of algae, at or below the water line, which could cause a slippery surface; the sudden and unexpected increase in wind velocity; and the collision between boats, trailers, and land vehicles used in the launching and recovering of boats resulting in personal injury and/or property damage.

I understand that Incline Village General Improvement District (IVGID) is not responsible for posting high wind warnings or small craft warnings and that if such warnings are posted, it is solely intended as a service and may or may not be the condition at that instance in time. I understand that it is my responsibility, and mine alone, to determine the wind conditions and whether it is advisable to launch, recover or use the boat ramp for any reason.

I understand and agree that any bodily harm, death, or loss of personal property and expenses thereof as a result of my use of the boat ramp are my responsibility and do hereby hold harmless IVGID, its officers, agents, and employees from and against any and all claims, demands, or liability of any kind.

I hereby agree, having read and understood the above agreement and release, that by signing this form and agreement, I may be surrendering valuable rights. I do sign this release freely and voluntarily.

SEASON PASS IS NOT REFUNDABLE OR TRANSFERABLE.
